

BERRY BASKET BUSINESS

VOL 1

October

Premier Edition

1990

NO. 1

President's Message:

Welcome to all new and renewing members of Berry Basket Quilters. The theme of the combined board meeting was "Happy New Year", complete with streamers, balloons, and party hats. It was a very festive and joyful beginning to our fourth year as a quilting guild.

The changing of the seasons brings such renewed energy and excitement to me. I love to see the colors start to change and feel the nip of frost in the air. This is the new part of my creative life, trying to bring alive all those wonderful ideas I had only dreamed of during the heat of summer.

In a short three years we have accomplished many things; our signature quilt, several workshops, a highly successful first show, quilting demonstrations, a creative challenge project, and a rewarding community service project, the exhibit and donation of 32 quilts made for the ABC Quilt Program.

These achievements would not have been possible without the talents, dedication, and hard work of our members. Thank you for the support you have given our organization in the past. Special thanks go to all who have volunteered to serve on the executive board and keep us active and productive this year.

My goals this year include sharing our ideas, learning and improving techniques, making and being friends, and planning and preparing for a successful quilt show next fall. With your support and friendship all of these things can happen. Keep up the good work.

Susan

P.S. Remember: A busy needle doesn't rust!

Each Stitch

The stitches in this quilt-patch rare,
Were patiently made with loving care;
If each thought put forth were as perfect and true,
It would make a grand world for me and you.
